2012 HAScC Charity Golf Classic

Monday, October 22 • Oakmont Country Club

To Benefit National Health Foundation

ANNUAL CHARITY GOLF CLASSIC TOURNAMENT

The Hospital Association of Southern California (HASC) is pleased to again host the Charity Golf Classic Tournament at the Oakmont Country Club, Monday, October 22, 2012.

This year's event will bring together key hospital representatives and health care leaders in support of a good cause—National Health Foundation (NHF).

Event proceeds will support programs that address health care issues impacting underserved communities and those without access to health services.

FORMAT

Modified best ball (“shamble”).

PRIZES

- First, second and third place — Low Gross
- First, second and third place — Low Net Team
- Contest prizes in the following categories: closest to pin, longest drive and straightest drive

COURSE INFORMATION

Oakmont Country Club
3100 Country Club Drive, Glendale, CA 91208
(818) 542-4292

All players will receive a detailed confirmation prior to the event.

ABOUT NATIONAL HEALTH FOUNDATION

National Health Foundation (NHF) is a charitable, tax exempt 501(c)(3) public charity organization. The organization's mission is to improve and enhance the health of the underserved by developing and supporting innovative projects that can become independently viable; provide systemic solutions to gaps in health care access and delivery; and have the potential to be replicated nationally.

For more than 40 years, NHF has addressed health care issues of the underserved focusing on three strategic areas:

- Underserved children and families
- Chronic disease prevention and management
- Health care delivery systems

THE NEED FOR CONTINUED SUPPORT

With constant changes hitting an already fragmented health care system, NHF has been instrumental in closing gaps in service areas, thereby helping uninsured and underinsured populations gain access to health care.

To continue promoting and supporting more effective health care delivery, NHF must continually address timely issues and develop new programs. Proceeds from this tournament will support these activities and will help NHF to fulfill its mission and remain innovative. Your participation is much appreciated.

Groundbreaking Results

Patient Safety First is the largest statewide collaborative focusing on improving patient safety in the nation. As a result of this statewide initiative more than 973 lives have been saved and an estimated \$19 million in costs have been avoided to date.
