

2011 HASC CHARITY GOLF CLASSIC

Thank you HASC members and generous sponsors of the 2011 HASC Charity Golf Classic, held October 17, at the Oakmont Country Club in Glendale. This year, c-suite health care executives, physician leaders and other hospital staff from throughout Southern California helped raise money for the National Health Foundation, a nonprofit organization dedicated to improving health care in underserved communities. We look forward to seeing you all next year!
