

Better Together 2021

HASC Virtual Annual Meeting **2021**
April 29 – 30

Partner With HASC to Reach Key Decision Makers

Although we won't gather in person this year, HASC is working to provide a great virtual opportunity for businesses and organizations to connect with prospective clients and enhance relationships with existing customers. With 184 hospitals in membership, sponsorship offers the chance to get your products and services in front of Southern California hospitals and health systems. Please join us for **HASC's 2021 Virtual Annual Meeting**. We look forward to being with you again, in person and face-to-face, at the 2022 HASC Annual Meeting.

Historically, the Annual Meeting has drawn more than 200 hospital and system executives together. Our virtual format will allow even greater numbers to participate. This will increase your visibility, build relationships and support HASC through opportunities at this key regional health care event.

The meeting will be hosted on one of the leading virtual software platforms. Please be assured that we are offering you a robust, value-packed opportunity.

Note that sponsorships are discounted by 20 percent when payment is received before Feb. 1, 2021.

	DIAMOND \$25,000 (early discount \$20,000)	PLATINUM \$15,000 (early discount \$12,000)	GOLD \$10,000 (early discount \$8,000)	CONTRIBUTOR \$6,000 (early discount \$4,800)
