

# COMMUNITIES LIFTING COMMUNITIES

Dora Barilla, DrPH, Co-Founder, HC2 Strategies

# Health Systems in 2018

# Next Generation Community Health

# Imagine

Optimizing and aligning partnerships that are built for health, not just the treatment of symptoms associated with disease

# CONNECTING COMMUNITY HEALTH TO STRATEGIC PLANNING

# Burning Questions

- Do we have the necessary information and competencies to manage the risk of populations?
- Are we proactively innovating ahead of external pressures?
- Do we have a robust methodology for developing and adapting new approaches?
- What will it take to move our organization to where we want to be?
