Baby-Friendly® Designation by World Health Organization

St. Mary Medical Center is one of less than 450 U.S. hospitals and birthing centers designated as Baby-Friendly.® Becoming a Baby-Friendly facility is a comprehensive, detailed, and thorough journey toward excellence in providing evidence-based, maternity care with the goal of achieving optimal infant feeding outcomes, and mother/baby bonding.

Healthgrades Quality Recognitions

Healthgrades is the leading independent health care ratings company, which ranks hospitals, and offers patients an educational guide in the selection of caregivers in their own communities. St. Mary Medical Center is proud to receive these Healthgrades honors.

Named Among the Top 5% in the Nation for Patient Safety (2013-2017)
Named Among the Top 5% for Obstetrics and Gynecology (2017)
Named Among the Top 5% for Labor and Delivery (2017)

Our Mission

Hello humankindness[®]

We are committed to furthering the healing ministry of Jesus. We dedicate our resources to:

- Delivering compassionate, high-quality, affordable health services;
- Serving and advocating for our sisters and brothers who are poor and disenfranchised; and
- Partnering with others in the community to improve the quality of life.

FY18 ED and Inpatient Homeless Encounters

- St Mary Medical Center had 1,790 encounters in FY 18
 - **Recuperative Care Spend**
- St Mary Medical Center spent \$626, 394 FY 18 for
- St Mary Medical Center has spent \$637,204 YTD FY 19 (March)
- SMMC sees over 57,000 ED Visits annually

Ways That We Can Continue To Partner as a Community To Address the Behavioral Health and Homeless Needs In Our Community

- Treat all individuals with Respect and Dignity
- SB 1152
- Data Sharing
- Strong Partnerships with community partners:
 - Police
 - Fire
 - Local City Government (Health Department)
 - FQHCs
 - Hospitals (College Medical Center and Memorial through JOCs)
 - Managed Care and IPAs
 - Non Profits (LINC Housing)

SB 1152

- SB 1152 - Went into effect 1/1/2019 in California
- SB1152 – A law intended to help prepare the homeless patient for return to the community by connecting them with available medical and behavioral referrals and community supportive services as part of the discharge plan.
- SMMC Established a multidisciplinary Homeless Task Force in order to comply with SB1152.
- The SMMC Homeless Task Force is committed to SB 1152 because it is aligned with our Mission. However, it is a huge initiative that requires constant monitoring as well as working with our community partners.
- Dignity has a Safe Discharge For High Risk Patients policy.

Thank YOU!
