

✔ **HASC members invited to host a 10-week, full-time CDIP IE or OC college summer intern**

Confirm your intern by 6/30/19

- HASC CDIP interns are pre-screened.
- Intern skills, interests, & qualifications are paired with members' projects & needs.
- Hosting hospitals and departments designate a robust project for the intern to complete or advance for a department or initiative.
- Members interview two candidates per internship offered & select a match.

HASC CDIP & HCC have 10 Inland Empire and 3 Orange County candidates to place.

Interns begin no later than 7/8/2019 & conclude 9/13/19.

Preceptors/supervisors meet weekly with their intern to review deliverables & mentor.

Health Career Connection, HASC's CDIP partner, provides professional development workshops for interns.

Preceptors attend an appreciation luncheon & meet all preceptors & host site interns.
