

# SOUTHERN CALIFORNIA'S HEALTH CARE WORKFORCE: *Challenges, Approaches & Solutions*

Over the next five years, Southern California will need to fill close to 150,000 health care job openings.

Join the Hospital Association of Southern California (HASC) and FutureSense in partnership with the Los Angeles Area Chamber of Commerce and Health Workforce Initiative (HWI) to learn about their recent Health Care Sector Report. Explore the challenges, approaches and solutions to recruit and develop a strong and skilled workforce.
