

Logistics Victory Los Angeles (LoVLA) Provides PPE at Cost

Through supply chain optimization, city purchasing, and generous donations, Logistics Victory LA (LoVLA) facilitates a clear path for medical service providers on the front lines of the COVID-19 crisis to access critical supplies, such as isolation gowns, gloves, N95 respirators, face shields, thermometers and other medical essentials.

In support of hospitals, HASC forged a partnership between LoVLA and HASC member hospitals with an interest in consortium-level procurement efforts. This partnership empowers hospitals across the HASC region (not just the city of Los Angeles) to purchase PPE at cost, with no additional administrative fees associated with ordering. **To date, LoVLA has provided nearly 6 million PPE items to 40 hospitals and 170 skilled nursing facilities.**

LoVLA has distributed nearly
6 million PPE Items
to nearly **40 hospitals**

To request PPE for your facility, contact Avin Sharma at asharma@portla.org.
