PATHWAYS 2018

HEALTHCARE POLICY IN ACTION

Developed collaboratively by Health Care Executives of Southern California (HCE So-Cal) and Hospital Association of Southern California (HASC), the **PATHWAYS** program educates early careerists and healthcare professionals about key health policy issues and prepares them for our changing healthcare industry.

HOW DOES THE PROGRAM WORK?

This program provides an opportunity for participants to connect with senior industry leaders and academic experts throughout a series of four comprehensive sessions. The sessions will be held from 3:30pm to 6:30 pm in varying locations across Los Angeles. The program is a combination of expert speaker presentations and interactive cohort participation.

WHO CAN PARTICIPATE?

Early careerists who are nominated by CEOs or C-Suite leaders are eligible for participation. Self-nominations are also welcomed. The program is limited to the first 40 participants who are nominated. First-priority consideration will be given to those early careerists who are ACHE/HCE members.
