

## Optimizing Performance and Patient Safety in the OR

Julia Slininger HASC Michele Graynor, Tagnos

## **Objectives for the Session**

- Analyze the input received at the May SCPSC meeting
- Review and refine the draft outline for the SCORE Collaborative
  - (Surgical Care and Operating Room Excellence)
- Discuss the value of the program and the anticipated return on investment
- Determine which data elements would be most meaningful

## 

	1	2	3	4	5	
Communication & Mutual Respect	0	3	9	14	4	3
Perceived degree of Impact on Quality & Patient Safety	0	3	7	7	14	3
Perceivde degree of impact on Fiscal/Operational Efficiency	0	3	11	7	10	3
Current Capacity & Capability	0	6	9	12	2	2
Perceived degree of Impact on Quality & Patient Safety	1	7	8	10	5	3
Perceivde degree of impact on Fiscal/Operational Efficiency	0	7	5	10	9	3
Efficient usage of OR Suite time/Staff time	0	6	6	15	2	2
Perceived degree of Impact on Quality & Patient Safety	2	5	6	10	8	3
Perceived degree of impact on Fiscal/Operational Efficiency	0	6	2	12	11	3
Patient Flow thru the Periop Departments	1	5	12	9	3	3
Perceived degree of Impact on Quality & Patient Safety	1	5	8	10	7	3
Perceived degree of impact on Fiscal/Operational Efficiency	1	4	9	7	10	3
Supplies/Equipment Mgmt & Pref Cards	1	4	11	8	5	2
Perceived degree of Impact on Quality & Patient Safety	2	5	5	10	8	3
Perceived degree of impact on Fiscal/Operational Efficiency	2	5	5	9	10	3
Cross Functional Teamwork	0	3	8	8	9	2
Perceived degree of Impact on Quality & Patient Safety	1	2	7	10	11	3
Perceived degree of impact on Fiscal/Operational Efficiency	1	2	8	11	9	3

## **SCORE - ROI**

- Reduction in adverse events and surgical site infections
- Optimization of capacity and OR room utilization
- Increased levels of staff and physician satisfaction
- Decreases in room turnover times

MORE SCORE	ROI	
<ul> <li>Increased on-time starts</li> <li>Reduction of supply and sterilization costs</li> <li>Standardized communication</li> <li>Improved teamwork and coordination</li> <li>Standardization of practices &amp; guidelines</li> </ul>	Quality Improvement	Cost Savings
